

## M2 = Q2 without the need for counter space

Fits right under your Mythos  
One and Two

---

### 100% accurate and leveled tamps

Be certain you are serving consistent shots all day long

### Speed up the workflow

And work more relaxed during the busy hours

### No more need to tamp yourself

Make sure you keep your hands & elbows healthy & Prevent RSI

*"It tamps incredibly even with the **same pressure** and without having to put any strain on our wrists and arms. A **wonderful Tool** for us as Baristas."*

- Klaus Thomsen,  
Owner of Coffee Collective &  
former World Barista Champion

# Non stick coating, naked portafilter & more

## Non-Stick Coating

Your precisely dosed coffee bed stays intact

## Compatible with Naked Portafilters

Use any Portafilter you like and change it when you want to

## Fine adjustment

Adjust the Lower Clamp with ease

## Improved frame stiffness

A tougher Puqpress for an even better leveled tamp

## Precision Tamp setting

No more suction. Enables you to use bigger diameter tampers
